2019 Major Mayhem in May

Dear South Florida Council
Venturers,

This year in 2019 Major Mayhem will be taking place. The VOA welcomes you to join us at Camp Elmore. Our South Florida Venturers will be participating in mixed groups of "Families" for our extravagant morning activities such as Hitching post, Pony Express, and much much more! We need all of our Crews to come out and join us on this exciting weekend!

On Friday night, we will be having our Cracker Barrel and we will need all of our activity volunteers to be there for an overview of the game scheduled for Saturday. Then on Saturday, our Venturing Crews will compete in a series of activities hosted by our VOA. After the games, it's free time to relax, go by the lake for a quick swim, or even spend time around your campsites with your venturing friends. Later, that night we will gather around the campfire for our Campfire celebration!

The VOA board is excited to see everybody at Major Mayhem! Please if you are in a Venturing Crew promote and encourage not only this event but venturing as a whole. We look forward to seeing you soon!

Yours in
Venturing,
The VOA board
