Scouts,

This is a list of the requirements that you need to have completed by the first day of class.

If you do not have these requirements, you will not complete the merit badge. If you do not participate in the **discussion** you will not complete the merit badge.

It is in your best interest to have & **READ** the merit badge book, so when the counselor is having the discussion you are aware of what they are talking about.

Class begins at 6:00 PM-You cannot enter the classroom after 6:05 PM.

Requirement #6: With your parent's permission and your counselor's approval, visit a museum, art exhibit, art gallery, artists' co-op, or artist's workshop. Find out about the art displayed or created there. Discuss what you learn with your counselor. Visit one of these sites or another online virtual tour of an art museum.

When you enter the class, you will be asked to provide your scoutmasters email address, this will allow us to send the information to the proper person.

Emails will be sent to the scoutmaster regarding the status of your merit badge, after that email has been sent, I will send an email to the address that you registered with stating it has been sent to the scoutmaster.

All inquiries regarding the class need to come from the scoutmaster and items not completed need to be completed with your unit.
